### Rights Respecting School

<b>COLLABORATION</b> To learn from each other To support each other To be successful together	<b>POSSIBILITIES</b> To challenge ourselves To challenge each other To push boundaries
<b>RESPECT</b> To understand ourselves To appreciate each other To value diversity	<b>TECHNOLOGY</b> To learn To communicate To create

We're delighted to announce this week a project designed to support our ongoing school focus of **Respect** (one of our Curriculum Drivers), celebrating diversity and helping our pupils appreciate both local and global communities to which they belong.

This academic year we have launched our project to become a UNICEF 'Rights Respecting School' which is based on the UN Convention on the 'Rights of the Child'. These are summarised by a list of 45 articles, which apply as a right to every child in the world and will help us, as a school, explore in depth how we ensure our pupils are respecting each other's rights on a daily basis, as well as scenarios from history and across the world today.

Look out for more information about what this will look like in school in Newsletters, Curriculum sessions and on the year group pages on the school website.

Mrs Drake, Head of School

### Parents' Evening

We really value a strong partnership with parents/carers, as collaboration and working together is a key part of our school ethos. On **Wednesday 4th October & Thursday 5th October**, we will be holding Parents' Evening, where we will share information about how your child has settled into their new class, their next steps and advice about how to support your child with their learning at home.

To book an appointment, please use the MCAS App to sign up for a 10 minute slot. This feature will be enabled on the App on **Sunday 24th September at 8pm**. A support guide of how to book an appointment has been sent out with this newsletter.

Please contact the school office if you do not have your MCAS App set up.

### Flu Nasal Vaccination Spray

The online consent form for the annual flu nasal vaccination has been extended to midnight on **Sunday 24th September**, for pupils in Reception & Year 1. Please complete the online consent form [here](#). If you would like your child to have the vaccination in school.

### Reception Curriculum Information

The Reception Curriculum Information Session will take place on **Wednesday 27th September** at **16.30** in the Reception classroom.

We will share information about the Reception Curriculum and how you can support learning at home. This session is for parents/carers so please make alternative arrangements for your child if you are planning to join us. We hope to see you there, however we appreciate that not everyone will be able to attend at this time so we will publish the slides and resources used on our school website afterwards for future access.
