Dream big, fly high

Happy New Year!

We hope you all had a good break from school and are ready for the Spring term ahead. It has been lovely to hear the children talk excitedly about what they have been up to over the holiday.

Twitter next steps

Following the decision to restrict access to our Year Group Twitter (X) Feeds so that only those users pre-approved by the school can view posts, we have now removed all existing Followers. Anyone wishing to follow a Year Group page must now request to re-follow your child's feed. To help us verify the identify of the users who request to follow our accounts, we would ask you to complete the form sent out to you via your MCAS app with the twitter account which you would like to be approved.

For each account, please ensure you have requested to follow the relevant account on Twitter (X) so we can approve the request. If you have any questions regarding this please do not hesitate to contact the school office. We look forward to sharing photos and experiences with you via this platform over the coming term.
