Personal Development

Our **PSHE** (Personal Social Health Education) curriculum is an essential thread that runs throughout school life, whether that be through specific lessons and knowledge that is taught by our teachers or through the values and attitudes that permeate the culture at Woodford Primary School.

Following Children's Mental Health Week and Safer Internet Day that took place last half term, we have focussed on the children identifying adults in their lives who they can speak to if they are worried about anything. If you or your child would like any support, you can also find lots of information on our school website **Family Support and Guidance** page where there are links to support on a number of topics including **Parenting Advice, Anxiety, Stress, Sleep and Friendships**.

Mrs Drake, Head of School
