Height, Weight & Hearing checks for children in Reception

Every year in England, children in Reception have their height and weight measured as part of the National Child Measurement Programme (NCMP). The Reception class will take part in this year's measurement programme on **Friday 17th May**. A routine hearing test will also be offered to Reception children on the same day. The measurement will be carried out by trained healthcare staff from Stockport Foundation Trust. **If you are happy for your child to be screened, you do not need to do anything.** If you do not wish your child to take part, please let Stockport Foundation Trust know by using the contact details on the letter that has been sent to Reception parents/carers.

Extra-Curricular Clubs 2024-2025

The extra-curricular club offer for the Autumn Term (September 2024) has been sent out to KS1 (Year 2 and Year 1) parents/carers. This is being sent now, so that families have time to submit their requests with the extra-curricular club providers and receive a response prior to requesting your Kids Club places for next academic year.

The booking form link for Kids Club 2024-2025 will be sent out to parents/carers in the School Newsletter on Thursday 23rd May and be open for bookings over the half term holiday. More information to follow.
