Reading for Pleasure

As you will know, reading is at the heart of Woodford Primary School. It is without doubt the most important academic skill we can teach our pupils, but just as important are the lessons they learn from stories and the enjoyment they get from spending time in a book.

Every term, each year group has their learning supported by an amazing selection of books, which make up what we call our Curriculum Bookshelves. Each book on the shelf is selected by our teachers to inspire and engage the children as well as supporting our focus on the character traits of **kindness, bravery, citizenship, integrity, curiosity** and **gratitude**. The Bookshelves for all year groups are available to view on the year group pages of our [website](#).
