### World Children's Day

On Wednesday 20th November we celebrated World's Children Day.

Our Year 1 and 2 classes joined in with a national event online, it was a session all about being a change maker!

They spent time being introduced to The 17 Sustainable Development Global Goals, learning about how children around the world have made a difference and they were challenged to consider how they might contribute to make our world a better place.

Ask your child what ideas they have to be a change maker. We would love to welcome ideas from children and support them in making this happen. This could be an assembly raising awareness and educating their peers about an issue, or an organised litter picking session after school in a local area.

#### Article 12 – Respect for Children's View

#### Article 13 – All children have a right to share their thoughts freely

The children will have the opportunity to discuss their ideas during their Pupil Parliament meetings on a Friday and with support of their group and leaders formulate a plan to put their ideas into action.

### Christmas Productions

You are invited to our EYFS & KS1 Christmas Productions that will take place in the school hall at 9.30:

**EYFS (Pre-School & Reception) - Tuesday 10th December**

**KS1 (Year 1 and Year 2) on Thursday 12th December**

Due to the space available in the hall, places are restricted to two audience members per family. This allows for an audience of 120 people for the children to perform for. Please sign up for your two places via our online booking system [EYFS](#) and [KS1](#).

Booking will be available from 7pm on **Friday 22nd November**.

To minimise disruption during performances, please consider if younger siblings are able to watch the performance without disruption and sit somewhere that allows you to step out of the hall if necessary.

**EYFS (Pre-School & Reception) - Monday 9th December**

**KS1 (Year 1 and Year 2) - Wednesday 11th December**
