Dream big, fly high

Outdoor Library

We are thrilled to announce the official opening of our brand-new outdoor library this week. Thank you to everyone who was able to join us for the ribbon-cutting ceremony on Tuesday. A huge thank you to our dedicated PTA and Redrow who helped bring everything together.

It is a great space where the children can enjoy books outside during breaktimes, lunchtimes and in Kids Club. Inspired by our love of reading, our outdoor library offers the children a cosy environment to explore books, share stories, and spark their imaginations.

With comfy cushions, shaded reading space, and a selection of books, it's the perfect place to enjoy reading with friends. We can't wait to see our children enjoying this special space all year round!

PTA Summer Fair

We'd like to say a massive thank you to everyone who is involved in supporting the PTA Summer Fair preparations and to anyone who has put themselves forward to volunteer on the day, your support is very much appreciated.

The PTA Summer Fair will take place on **Friday 11th July, 3.15pm to 5pm**. Please see the poster sent out for more information and how you can help out the PTA with donations of bottles for the tombola or offering your time.

Sports Day

Sports Day will take place on Thursday 3rd July (weather permitting) and will last approx. 1.5 hours. Family members are welcome to come along and support the children who will be competing in their house teams. More information will follow soon. Like last year, we will be holding a themed parents' relay race in House teams. It's all about having fun and getting involved — we can't wait to cheer you on!

Stockport's SEND Padlet

We would like to share Stockport's new Special Educational Needs and Disabilities (SEND), Neurodevelopmental and Wellbeing offer with all parents and carers.

The Padlet outlines available help from when you first recognise a difference or need in your child, as well as for those on the waiting list for an Autism and/or ADHD assessment, or those with a formal diagnosis.
