Black History Month

Black History Month, celebrated in October, is a time to recognise and celebrate the achievements and contributions of Black people to British society, throughout history and in the present day. Throughout October, during our assemblies, we have learnt about a number of key figures, such as Mary Seacole, Malory Blackman and Laurie Cunningham.

Wear Red Day on Friday 17th October

Please remember we will be joining people across the country tomorrow for Wear Red Day as part of the ongoing Show Racism the Red Card campaign. The children are welcome to come into school in non-school uniform wearing something red. This is an event to raise awareness and, as such, school will not be collecting any money. If you would like to donate to the campaign, please access the website [here](#) for more information.

Spy Dog Books Warning

We have recently been made aware that a web link printed at the back of several books in the **Spy Dogs** series by Andy Cope has been compromised and now directs to unsafe and inappropriate content. We have asked our team to remove any affected copies from our shelves, and we recommend that parents check their own copies and do the same. For more information about online safety, you can visit the Stockport [Online Safety Hub](#).
