Dream big, fly high

Supporting Charities

Giving to charity is more than just donating, it is about teaching our children the importance of helping others and understanding the impact of their actions. These experiences link directly to nurturing our character traits of **citizenship** and **kindness**.

I would like to extend the thanks sent to us from **Hope Central** following the Harvest Festival collection. The donations will help to support the food bank and affordable pantry. These services offer support to local people in the community who are in need, usually following adverse circumstances in their lives. One of the ladies who received a hamper recently commented, *"I can't thank you enough for what you have done for me, I really appreciate it."*

Christmas Toy Appeal

We are excited to invite families to join us in supporting two charities this Christmas that make a real difference in the lives of those in need. CAFT (The Children's Adventure Farm Trust) is a fantastic local charity that provides a safe, caring, and fun environment for children with complex needs, and Summer in Reception is collecting for the patients at Stepping Hill, Royal Manchester and Alder Hey Children's Hospitals. Over the next two weeks, we will be collecting new toys and selection boxes. Please see the posters sent out for more details. Donations can be brought into school before **Friday 28th November**. Together, we can show our children that when we live by our character values, we create a stronger, kinder community.

Pupil Parliament

We are thrilled to have received so many applications for this year's Pupil Parliament groups! It has been wonderful to hear pupils' voices and read their creative, thoughtful ideas about how we can make our school an even better place to ***Dream Big, Fly High***.

During Friday morning's assembly, shortlisted pupils will present their applications and pitch their ideas to their peers. Afterwards, pupils will cast their votes for the candidates they believe are best suited to represent each Parliament group.

Thank you so much for supporting your children through this process and for taking the time to help them prepare their applications. Your encouragement makes a real difference. We can't wait to celebrate and announce this year's Pupil Parliament groups next week!

Pre-School Curriculum Session – Tuesday 18th November at 4pm

A reminder for our Pre-School parents/carers of the Curriculum Information Session being held in school next week on **Tuesday 18th November at 4pm**. We understand that not everyone will be able to make this time, so will make the slides and information shared available on the school website following the session.

World Diabetes Day – Friday 14th November

Type 1 Diabetes in Children and Young People increases each year, and diagnosis can happen at any age. We have sent out information this week about spotting the signs and where to get help and support.

Havoc VR

We have sent out information from Havoc VR. This business kindly donated a fantastic prize worth over £100 to our PTA Scarecrow Festival. They are also offering 20% off any free roam VR or interactive wall visits booked by the end of November by using the discount code WFPRIMARY20.

Online Shopping Fraud

In the lead up to Christmas, you may be shopping online. To support staying safe online, the Cyber and Economic Crime Awareness Service with Greater Manchester Police have sent a poster with important information for preventing online shopping fraud. This has been sent to all families in our community.
